

**CALIFORNIA STATE UNIVERSITY, FRESNO**

**WINTER INTERSESSION 2022  
SCHEDULE OF COURSES**

**December 27, 2021 - January 13, 2022**

# REGISTRATION BEGINS OCTOBER 25 - \$305/UNIT

Winter Intersession provides an excellent opportunity to pursue one class intensively, without interruptions and demands of other classes or campus activities. Intersession classes earn resident credit and are open to matriculated Fresno State students as well as to the public.

## Why Take Intersession?

- Concentrate on one course at a time
- Maximize student success
- Accelerate time to degree completion
- Explore new academic areas of interest
- Pursue professional development

## Who May Register for an Intersession Class?

You are not required to be formally admitted to the university to take an Intersession class. If you are 18 years of age or older or are a high school graduate and have met course prerequisites, you may register for a Winter Intersession class. Matriculated and disqualified students, as well as the public, may take Intersession classes.

If you expect to complete degree or credential requirements through Intersession, you should check with your advisor regarding course applicability. Registration in Intersession does not ensure registration for, or admission to, the university, nor should it be interpreted as acceptance to any degree or credential program. If you are interested in formal admission to California State University, Fresno, contact the Office of Admissions, Records and Evaluations at 559.278.2261.

## How to Register

You may register online for Intersession beginning October 25 through November 15, 2021. Register early to ensure your place in the class of your choice, as each class has an enrollment limit. Fees are \$305 per unit and payment is due no later than **November 15**. Payments can be made online or at Joyal Building at the Cashier's Counter. Indicate that payment is for a Continuing and Global Education class. (Other class fees are applied to general account.) Payments by check should be made payable to "Fresno State."

Matriculated Fresno State students may register by logging in to [my.fresnostate.edu](http://my.fresnostate.edu).

New or non-matriculated students should visit [www.fresnostate.edu/cge/registration/howtoregister.html](http://www.fresnostate.edu/cge/registration/howtoregister.html) for registration instructions.

Enrollment will freeze from November 16 – November 18, 2021.

The go/no-go list of Intersession classes will be published on the CGE website on November 19, 2021. Beginning November 19, additional registrations will be accepted until December 20. Beginning November 19, all fees must be paid within 24 hours of registration.

## Wait Lists

Wait lists are available for Winter Intersession. If you are placed on a wait list for a Winter Intersession class, be sure to check your Fresno State email account daily to find out if you have been moved from the wait list to the class roster. Beginning November 19, your fees are due within 24 hours after you are placed on the class roster.

## Grading Option

Select your choice of grading option—Letter or CR/NC (credit or no credit)—choosing only what is available for your class (verify with department if enrolling in person). The grading option you designate is what will be posted on your permanent transcript, providing that option is available for the course.

Changes in Grading Option must be made no later than Friday of the first week of class. For classes meeting four or fewer days, changes in Grading Option must be made prior to the class start date.

**A student can elect to audit a class by obtaining the instructor's signature on an Administrative Change form and submitting it to the Division of Continuing and Global Education office no later than Friday of the first week of class.**
