

PROFESSIONAL DEVELOPMENT

CERTIFICATE AWARD IN GRANT WRITING AND MANAGEMENT

This intensive and practical program is designed for students and professionals who seek to increase their effectiveness in the dynamic and rewarding field of grant proposal writing and management.

This course is designed for grant writing professionals and those who are interested in learning how to locate specific grant funding opportunities, develop strategies for preparing and writing successful grants, and improve their skills in writing and editing grant applications. It will also teach them how to effectively bring together a writing team and manage their time, including utilizing a formula for time and page allocations for each section of the grant application process.

In addition, it will demonstrate the value of writing from a reviewer's perspective and techniques for maximizing scoring points to produce a more successful proposal.
